Dear <First Name>,

We work to provide you and your family access to high-quality, affordable care. We deliver on this promise by negotiating with health care providers to give you discounted rates that save you money. While we prefer not to make changes to our networks, sometimes it becomes necessary.

What's Changing?

Radiology Alliance will no longer be in your provider network effective April 1, 2021. We're sending you this letter so you know where to get care if you need radiology services.

We've included a list of facilities where Radiology Alliance providers practice along with this letter. Please note that even though Radiology Alliance is leaving your network, these facilities are not. You can still go to these facilities for other kinds of care at your usual in-network rates. We've also included a list of alternate facilities with radiologists who are still in your network.

What's Next?

If you get care from a Radiology Alliance provider at one of these facilities through March 31, we'll pay for your care at in-network rates, and you'll get in-network benefits. On and after April 1:

- In an emergency, you should go to the closest emergency room.
- If you get non-emergency care from a Radiology Alliance provider, you'll have to pay more out of your own pocket. Depending on the services provided, this difference could be large. This is the case even if you or your doctor got prior authorization for your care.
- Before scheduling services that require a radiologist, please ask your doctor or hospital to confirm who will provide these services and make sure they're in your network.

We're Here to Help

If you're getting ongoing care from one of the facilities listed below, you can ask us to keep covering this treatment. To do that, or for help finding a new provider in Blue Network SSM, just give us a call at the Member Service number on the back of your Member ID card. We're available Monday through Friday, 7 a.m. to 5 p.m. (CT). You can also find more Network S hospitals, facilities and providers at [bcbst.com/FindCare](https://www.bcbst.com/FindCare). You can also find updates and more information at [bcbstfacts.com](https://www.bcbstfacts.com).

Thanks for allowing us to be your health care partner.

Best of Health,

G. Henry Smith
Senior Vice President, Operations and Chief Marketing Officer
