Dear <First Name>,

We recently sent you a letter saying that Radiology Alliance was leaving your provider network on April 1, 2021. Although that information was correct, we mistakenly told you that Radiology Alliance provides radiology services at NorthCrest Medical Center. **ADI Radiology, PC, the group of radiologists at NorthCrest Medical Center, is still in your provider network. That means you can still get care from them at NorthCrest Medical Center at in-network rates.**

We're sorry for any confusion our mistake may have caused you.

### **We're Here to Help**

If you have any questions about this letter or where you can go for care in your provider network, just give us a call at the Member Service number on the back of your Member ID card. We're available Monday through Friday, 7 a.m. to 5 p.m. (CT). You can also find more in-network hospitals, facilities and providers at **[bcbst.com/FindCare](https://www.bcbst.com/FindCare)**. Stay updated and learn more about Radiology Alliance's status in your network at **[bcbstfacts.com](https://www.bcbstfacts.com)**.

Thanks for allowing us to be your health care partner.

Best of Health,

G. Henry Smith  
Senior Vice President, Operations and Chief Marketing Officer
